Oct 18, 2018

After hearing about firestoreio database that was leaking the all the dates for trump supporters from fs0c131y i decided I would have a play again.

So i managed to get a list of around 6000 firestoreio urls and decided to run a script over it.

random-robbie/firebaseio-checker

Checks a list of firestoreio to confirm they are working and have dev access to them - random-robbie/firebaseio-checker

github.com

Here is the results of what i found.
