# What is Google Dorks? Interesting Google Dorks

Gaurav Chandel — May 11, 2018 • [add comment](#)

**What is Google Dorks, Google Hack?**

Have you heard about **Google Dorks**? In this session, we are not going to hack google because this is coping me with a very big problem. So, What we are going to do? We learn some Google hack techniques by which you can find so many important data which is very useful for all of you guys. I wanted to see my blog readers as a pro.

Google Dorks is done by two ways one is by using a software known as Google Hack. You can download that [software by clicking here](#). and The second, by using some operators in the search box which filters the result of Google...Wait!! I tell you how these all will be done.

---

**ALSO READ:-** [web.whatsapp.com Hack Tutorial Step by Step Explanation](#)

---

You are not a script Kiddies who work on software by clicking next next button. You have to do your own work on your own. **Google Hack software** is very easy to use but we have to understand how these all are done. That's why I'm not using software here because once you download that software then you will easily understand what you have to do.

So, I'm using Google Dorks here, on which I type some queries to filter my results from so many websites to limited websites. This will help us so much because this saves your time by filtering the exact result which you want. This is also known as **Google Hacking Database**.

You can download any software **Product key/License Key** by using Google Dorks.

**[ALSO READ:- How To Port Forwarding/ Port Forwarding In Windows](#)**

In the Google SERP (Search Engine Result Page) Google shows website with the title then website's link then a description.

## Download a Movie in Single Click?

When I was a Kid that time I download movies by typing **download movie in HD** and there are so many websites links are shown by Google then I started confusing about which websites give me the movie and which are not. Here, I'm going to show you some Interesting Google Hack by which you can download any movie in a single click.

**Index of:-** If you type **Index of /Hollywood** then just open any of the results and then you can see there is a lot of Hollywood movies present. The Interesting thing is that you can download any of them in a single click.
